How did IHLM increase renewals by 30% with Mobilize TEST H3

See the newsletter Mobilize has sent out today. It might be good idea to publish and send out cases studies in the future.

The actual case study is behind the hubspot gate on their website.

How did ILHM increase renewals by 30% with Mobilize?

"Community is now the most valuable member benefit by a long shot."

Diane Hartley, President, ILHM

Providing value to your members to keep them coming back is extremely important to help your community thrive.

With Mobilize, the Institute of Luxury Home Marketing (ILHM) was able to do just that. After migrating off of Facebook Groups, ILHM created a thriving online community that helped them increase membership renewals by 30% and paid memberships by 60%.

Want to learn more about the success ILHM has seen with Mobilize? [Read our case study here](#), or [schedule time with one of our experts](#) to see how we can boost member engagement and retention for your association.
