IQOS

A photograph of an IQOS product display. The background features a modern interior with a curved ceiling and recessed lighting. On the left, a woman in a white blazer stands next to a large screen showing the IQOS device. In the foreground, there's a blue promotional stand with a smiling woman's face and the text "IQOS ORIGINALS". To the right, a large vertical banner displays text in Polish: "UPOZNAJ IQOS ORIGINALS DUO", "UPOZNAJ LIL SOLID", "IQOS CLUB", and "ZAŠTO ODABRATI IQOS". The overall aesthetic is clean and professional.

KAKO

- Na mom Iphone 12 ima dosta bugova sa loop i tranzicijskim videima koji povremeno nekontrolisano iskaču, "naše" komande su se popele malo iznad videa i ne vide se od PMI header trake. mora se swajpati dole da bi se vidjele komande a to nije intuitivno. Napravio sam screen cast

- Evo link za moje bugove:

- Pokušat ću da u opis slike pojasnim šta prijavljujem.
